Your Support Makes a Difference.

Callow End Village Hall has been a cornerstone of our community, hosting events and gatherings that bring us together. Currently, our funding comes from hire charges and occasional grants. However, to enhance and maintain this cherished space, we need to diversify our income sources. We're expanding our grant applications to include various grant-awarding bodies and need to demonstrate strong community support to secure these funds. These grants will help finance larger maintenance items, such as resurfacing the car park and installing energy saving measures, as well as enhancements including a film projector and audio equipment, and adding a hearing aid loop.

An application is being made to Crowdfund Malvern Hills for support for Malvern Hills District Council. Through this scheme, MHDC provides a grant to projects that attract crowd funding from the community. Please consider making a small contribution to this scheme. The more people that join in, the more likely we are to be successful.

We are also excited to introduce branded merchandise, including t-shirts, hats, and tote bags. These items will not only help raise funds but also increase visibility and awareness of our fundraising efforts. Wearing our branded clothing is a great way to show support and spark conversations about the hall's needs and projects. Look out for our merchandise at upcoming events or visit our website to place your order.

You can support Callow End Village Hall. Attend our events, purchase branded merchandise, or contribute to our newsletter with your stories. Your participation and contributions, no matter how small, help us create a vibrant and welcoming space for everyone. With your help, we can transform Callow End Village Hall into an even better resource for our community, ensuring it continues to be a place of connection, celebration, and growth for generations to come.

Grant Application Success

Following on from our Facebook consultation poll about the village hall acoustics, we submitted a grant application to the National Lottery Awards for All fund. This application has been successful and work will start soon. Thanks to everyone who took the time to give feedback. It really helps with the application as the application assessors want to see that they are funding items that the community supports.

St Richards Hospice Charity Coffee Event

Our Charity Coffee Event in July raised £32.10p for St Richards Hospice. We did not have a very big turnout, but those that came seemed to enjoy themselves. South Worcestershire Archaeological Group brought along their stand with a range of artefacts, and we had an exhibition of old photos of village life. We would like to continue with these events, but we need more support from the community. Anybody who has an idea for encouraging participation, please get in touch.
